

Poor Visibility Policy

Name of employer:	
Address:	
Contact details:	
Date:	

When horses are being exercised in poor visibility all riders and all horses will wear high visibility and/or reflective clothing.

This is particularly appropriate during Autumn, Winter and early Spring when it is still dark at the start and end of the working day.

It is also appropriate when crossing or travelling along public roads and other places where vehicles, cyclists or pedestrians are likely to be encountered.

Such 'Hi vis' will be provided free of charge.
